

Next Level Hockey Camp

**June 27-30- 4-630pm @ Darien Ice Rink
Rising 9th, 10th, and 11th graders.**

Directed by Middlebury College Assistant Coach John Dawson

Our mission:

The goal of the Next Level Hockey Camp is to give players the tools to improve their game for future play. Individual skill development will be a major focus, demonstrating the proper techniques in shooting, passing, stickhandling, and skating. There will also be a progression to game situations and team play. Much of this will be taught through small games. Overall, we want to build up fundamental techniques and implement them into game situations.

Staff: The camp is led by Middlebury College Assistant Coach John Dawson. He has served as the assistant at Middlebury under Div. 3 8-time National Championship Coach Bill Beaney for the past 5 years and has also worked with the USA Hockey National Festivals. John was the captain of the National Championship team at Middlebury in 2004.

Other college coaches and former college hockey players will join John on the staff.
